Key Clubs on-going service this year is volunteering at the Community Table through First Church of Lombard. Community Table is more than a "soup kitchen". Over the past 5 months, over 40 Key Club members have volunteered to assist the First Church of Lombard with setting up, cooking, serving, and cleaning up, all while eating and interacting with the community members who attend. Throughout this service project, the students have been given the opportunity to serve their community and learn about service organizations like the Northern Illinois Food Bank. Sandra Hill has also educated the students on the needs of the community and how those needs are met. The students in Key Club are dedicated to this project. We have had such a huge response from students that we need to have shifts, so more and more volunteers can attend the event.
