TO: William T. Lichter, Village Manager

FROM: David A. Hulseberg, AICP, Director of Community Development

DATE: September 15, 2005

SUBJECT: BOT 05-08: 1001 Highmoor Road

As part of the annexation and dedication activities along the vacated Wilson Avenue right-of-way, the property owner for Lot 17 of Block 1 of the Flowerfield Subdivision, commonly known as 1001 Highmoor Road, has requested annexation to the Village of his property and has agreed to the annexation and dedication of a portion of the subject property for public right-of-way purposes.

RECOMMENDATION

As the annexation and right-of-way dedication is essential to ensure that all of the Wilson Avenue dedication is within the Corporate limits of the Village, staff supports the annexation and dedication requests.
