Subject: No Parking Zones on Eastgate Road, between Highland and Stewart Avenues

Eastgate Road has been upgraded to a three lane cross-section with adequate off-street parking between Highland and Stewart Avenues (see attached map). In order to preserve traffic flow and avoid any potential traffic issues, no parking zones should be enacted on both sides of the street.

Staff recommends posting "No Parking" on the north and south sides of Eastgate Road, as follows:

SCHEDULE VII – PARKING PROHIBITED AT ALL TIMES ON CERTAIN STREETS		
In accordance with Section 10-13-6 and when signs are erected giving notice thereof, no person shall, at any time, park a vehicle upon any of the following streets or parts of streets:		
Name of Street	From	To
ADD: Eastgate Drive, north side	East curb line of Highland Avenue	West curb line of Stewart Avenue
ADD: Eastgate Drive, south side	East curb line of Highland Avenue	West curb line of Stewart Avenue

This item will be on the December 1, 2008 Transportation and Safety Committee agenda. The meeting is held at the Village Hall in the Community Room at 7:00 PM. This is a public meeting and public participation is encouraged.
