

MEMORANDUM

TO: President Keith T. Giagnorio
Village Board of Trustees

FROM: William J. Heniff, AICP, Director of Community Development 

MEETING DATE: February 1, 2018

SUBJECT: PC 18-07; 837 S. Westmore-Meyers Road

Upon further review of the draft ordinance included in the Village Board packet, Village Counsel found a discrepancy in the existing Code. The portion of Village Code that regulates massage establishments was referred to as Chapter 12, Section 122, when it should be Title XI., Chapter 122. As such, the ordinance and agenda has been changed. Please find the attached revised ordinance.

Staff will be preparing a separate ordinance to correct this discrepancy and the item will be considered by the Village Board at a later date.
