**AN ORDINANCE AMENDING TITLE XI, CHAPTER 112,
SECTION 112.12(A) OF THE LOMBARD VILLAGE CODE
IN REGARD TO CLASS "XX-VG" LIQUOR LICENSES**

BE IT ORDAINED by the President and Board of Trustees of the Village of Lombard, DuPage County, Illinois, as follows:

SECTION 1: That Title XI, Chapter 112, Article II, Section 112.12(A) of the Lombard Village Code, is hereby amended by revising the description of a Class "XX-VG" liquor license to read in its entirety as follows:

Class "XX-VG"—Alcoholic beverages, served as an adjunct to a live entertainment establishment, subject to the following restrictions and requirements:

(1) The establishment must have a full-service kitchen for the preparation of meals for the patrons of the establishment, with said full-service kitchen to remain open, and food service to be offered at the establishment, each day that the establishment is open for business, from the opening time until at least 10:00 p.m.

(2) As the establishment is primarily a live entertainment venue, the liquor license fee, as set forth in § 112.14(A) of this Code, shall cover the licensing relative to the live entertainment at the establishment, and no separate live entertainment license shall be required under § 112.39 of this Code.

(3) No individual under the age of 21 years shall be allowed in the licensed premises at any time period that live entertainment is taking place, including during any break periods for said live entertainment, or during any time period that the full-service kitchen is closed, and food service is not being offered.

(4) No package sales of alcoholic beverages shall be allowed.

(5) Live entertainment, for the purposes of this license, includes real-time performances such as music, dance, theater, comedy, readings, magic shows, and similar forms of artistic expression. These performances may be rendered by professional or amateur artists. The prohibitions of Section 112.39(D) of this Article shall apply to live entertainment performed on the licensed premises.

(6) The Licensee shall be permitted to hold no more than twelve (12) banquets during a license term.

(7) The establishment shall install and maintain in good working order at all times a video surveillance system in the licensed premises as follows:

a. With the liquor license application, the prospective licensee shall submit a video surveillance plan for approval by the Liquor Control Commissioner.

b. The Licensee shall be required to install, operate, and maintain in good working condition at all times a video camera surveillance system, as approved by the Liquor Control Commissioner, capable of recording clear and unobstructed photographic representations of the areas of the Licensed Premises where alcoholic beverages are served, poured or consumed, and shall retain the video recordings produced therefrom for a minimum of 60 days. Said video recordings shall be subject to inspections by the Village's Police Department upon request therefor; and

c. The images recorded by each camera shall be capable of being transferred to a portable form of media, including but not limited to, compact disc, digital video disc or thumb drive.

The operation of video gaming terminals on the licensed premises shall be allowed, so long as video gaming is not prohibited within the village, provided the establishment has been issued a video gaming license by the Illinois Gaming Board in accordance with the provisions

of the Illinois Video Gaming Act, and further provided the establishment shall comply with all the provisions of Chapter 112 of the Village Code, the Illinois Video Gaming Act and all rules, regulations and restrictions imposed by the Illinois Gaming Board.

This decrease in the number of Class “XX-VG” liquor licenses reflects the ceasing of business by SBBL LLC d/b/a Brauer House, and the termination of the Class “XX-VG” liquor license issued to SBBL LLC in relation thereto.
