SCHEDULE XIV - NO LEFT TURN In accordance with Ordinance 3240, left turns are prohibited between the hours of 8:00 am and 4:00 pm on school days at the following locations.		
Name of Street	Direction	To
ADD: New Street	Westbound	Hammerschmidt Avenue

The Committee voted to recommend implementing a No Left Turn restriction on westbound New Street at Hammerschmidt Avenue. To further limit the impact to area residents, the restriction would be constrained to between the hours of 8:00 am and 4:00 pm on school days, which coincides with existing one-way restriction on Hammerschmidt Avenue north of New Street. This action requires an ordinance to the Traffic Code as follows.

On February 2, 2009, the Transportation and Safety Committee discussed traffic congestion and pedestrian safety issues currently affecting the Hammerschmidt School. Specifically, vehicles intending to pick up children at the school queue on northbound Hammerschmidt Avenue and westbound New Street. Because Hammerschmidt Avenue is 28 feet wide, the legally parked queuing vehicles inhibit two-way traffic. Frequently, vehicles traveling west on New Street desire to turn left or southbound onto Hammerschmidt Avenue directly into northbound traffic moving around the parked vehicles. This creates impasse, sight distance, and backing up of vehicle issues on a daily basis. With little success on addressing the issue internally, Hammerschmidt School Officials request the Village's assistance in mitigating this situation.
