CONTRACT

CONTRACT DOCUMENT NUMBER RM PROG 18

This agreement is made this 17th day of March, 2015, between and shall be binding upon the Village of Lombard, an Illinois municipal corporation (hereinafter referred to as the "Village") and Corrective Asphalt Materials LLC (CAM) (hereinafter referred to as the "Contractor") and their respective successors.

Witnessed, that in consideration of the mutual promises of the parties delineated in the Contract Documents, the Contractor agrees to perform the services and the Village agrees to pay for the following services as set forth in the Contract Documents:

The proposed work is officially known as "FY 2015 PRESERVATIVE SURFACE TREATMENT PROGRAM" and further described as the application of a preservative rejuvenating agent on approximately 90,000 SQ YD of asphalt pavement at various locations throughout the Village of Lombard. The purpose of the application is to provide an environment seal on the surface asphalt course and to provide improved durability, thus longer service life. The function of the application is to replace the volatile components of the asphalt cement that are lost during the manufacture of the aggregate asphalt mixture and through the normal aging and/or oxidation process. The results of this application will be elevated asphalt penetration values for the upper 12.5 mm (0.50 inch) of the surface asphalt course and a greater resistance to further oxidation and water intrusion. All of the above as well as other project details are further described in the contract documents for the said work prepared by the Village of Lombard.

The Contractor shall commence work under this Contract upon written Notice to Proceed from the Village and shall complete work under this contract within 40 calendar days from the date of the Notice to Proceed. Time is of the essence in regard to this Contract, and the Contractor agrees to achieve completion within the time permitted by all proper and appropriate means including working overtime without additional compensation.
 4. Pursuant to the provisions of Section 5 of the Mechanics' Lien Act of Illinois, prior to making any payment to the Contractor under this Contract, the Village demands that the Contractor furnish a written statement of the names of all parties furnishing labor and/or materials under this Contract and the amounts due or to become due each.
