EXHIBIT A

VILLAGE OF LOMBARD HISTORIC PRESERVATION COMMISSION FINDINGS OF FACT RELATIVE TO THE PROPERTY LOCATED AT 128-132 W. ST. CHARLES ROAD, LOMBARD, ILLINOIS

On May 31, 2016, the Lombard Historic Preservation Commission received an application requesting the consideration of local landmark status for the building located at 128-132 West St. Charles Road submitted by property owners Thomas J. and Cynthia A. Masterson. The Local Landmark Committee discussed and agreed that the site should be considered for local landmark status on July 19, 2016. A motion carried to refer it to the Lombard Historic Preservation Commission.

In consideration of the presented testimony, submitted documents and discussion the Historic Preservation Commission determined that the structure located at 128-132 West St. Charles Road is eligible for local landmark designation based on the following criteria:

- **Historic Preservation Commission Ordinance 32.079 HISTORICAL SITES; DESIGNATION AND MAINTENANCE, paragraph (C), Item (1) The character, interest, or value as part of the development, heritage, or cultural characteristics of the Village.**
The Subject Property was not sold to the developers of the Park Avenue Apartment (now the Park Avenue Condominiums) thereby preserving the historic storefront along St. Charles Road. The Canfield's Doll Hospital was a unique service provided in a small village at the time.
- **Historic Preservation Commission Ordinance 32.079 HISTORICAL SITES; DESIGNATION AND MAINTENANCE, paragraph (C), Item (2) The identification with a person or person who significantly contributed to the cultural, economic, social or historical development of the village.**
The Subject Property was purchased by Howard and Martha Canfield in 1945 and was part of their estate until 1994. The Lombard Dairy Store, Canfield's Yarn Shop and Canfield's Doll Hospital occupied the building for many years.
- **Historic Preservation Commission Ordinance 32.079 HISTORICAL SITES; DESIGNATION AND MAINTENANCE, paragraph (C), Item (3) The architectural significance of a building which is at least 50 years old and is a good example of a specific architectural style containing distinctive elements of design, detail, materials or, craftsmanship, or is an example of a style which had an impact on the community. Such a building must retain much of its original architectural integrity.**
 - a. The Subject Property was developed in 1927.
 - b. The 2014 Architectural and Historical Survey for the Village identified the subject property as Tudor Revival in style. The significant feature of the building is identified as the roof.

Based on the submitted petition to the Lombard Historic Preservation Commission and the testimony presented, the Historic Preservation Commission finds that 128-132 W. St. Charles Road complies with the criteria established for designation as a landmark site based upon the aforementioned findings of fact, and, therefore, recommends to the Corporate Authorities that 128-132 W. St. Charles Road be designated as a landmark site, subject to the following conditions:

1. The landmark site designation is limited to the exterior of the existing building, as built circa 1927, and is further limited to the building's current location on the property at 128-132 West St. Charles Road, legally described as follows:

PARCEL 2: LOT 5 (EXCEPT THE WEST 60 FEET) AND THE WEST 44 FEET OF LOT 4 IN BLOCK 10 IN THE TOWN OF LOMBARD, BEING SUBDIVISION IN SECTIONS 5, 6, 7 8 AND 18, TOWNSHIP 39 NORTH, RANGE 11, EAST OF THE THIRD PRINCIPAL MERIDIAN, ACCORDING TO THE PLAT THEREOF RECORDED NOVEMBER 18, 1991 AS DOCUMENT R91-153504, IN DUPAGE COUNTY, ILLINOIS.

P.I.N. 06-07-204-025

2. Any proposed exterior painting shall require a certificate of appropriateness if other than the existing color. Maintaining the existing colors of paint would not require a certificate of appropriateness.
3. The property shall be maintained in good condition.
4. If the building is damaged or destroyed, to the extent of more than fifty percent (50%) of the value of the site immediately prior to such damage, then the building's landmark site designation shall be considered null and void.

This written recommendation set forth above was reviewed and approved by the Lombard Historic Preservation Commission at its meeting on August 16, 2016.
