- .01 Statement of Purpose:**
A.I.D.'s Victims Services Program employees will respond to crime victim's psychological and emotional needs and have been professionally trained to do so. This is achieved through crisis intervention, counseling, advocacy, education, information, and referral for victims of crime and/or trauma, the mentally ill, witnesses, and communities. In addition to these primary responsibilities, the program provides assistance to criminal justice personnel, the community and others in non-crime situations. The overall mission is to positively impact the quality of life for the citizens of Lombard by assisting victims/survivors, families/neighborhoods and Village employees experiencing crime and/or trauma whether or not job related.
- .02 Organization and Staffing:**
The program evaluation will be done quarterly to ensure it is organized in such a way that it meets the changing needs of the Lombard community. This evaluation may result in changes, over time, to redistribute resources to optimally address contemporary issues and conditions. A.I.D. shall give Lombard reasonable notice prior to major redistribution of resources or termination of the program. Provided, however, the program shall not be terminated prior to the conclusion of the services period, May 31, 2013. The A.I.D. will be in charge of, and responsible for, all staff. It is also the responsibility of A.I.D. to ensure the program is staffed to adequately handle the needs in the Lombard community. Termination of the program prior to the conclusion of the contract, by either AID or Lombard, requires a minimum of a 60 day notification.
- .03 Utilization and Deployment:**
A.I.D.'s Victims Services Program will respond to requests for assistance from the Lombard Police and Fire Departments, Emergency Medical Services, civilians and any community entities, as well as employees of the Village. There shall be no limit to the number of requests. Types of assistance shall include, but are not limited to: on-scene crisis stabilization counseling, community and emergency personnel debriefings, critical incident mental health response, judicial advocacy, case management, follow-up services, and information and referral assistance with victims' compensation. In addition, the division provides training and presentations to volunteers, law enforcement personnel and other internal and external organizations as requested.
- .04 Goals and Objectives:**
Program goals and performance measures are the responsibility of A.I.D. and are tallied on a quarterly basis. Periodic reports indicating progress are available by contacting the Program Director and will be made to Lombard as required. A.I.D. program representatives will meet quarterly with Village staff in order to discuss evaluation of the program.
- .05 Indemnification:**
To the fullest extent permitted by law, A.I.D shall indemnify, defend and hold Lombard and its officers, its employees and agents, harmless from and against all demands, claims, suits, liabilities and costs, including reasonable attorney's fees, and litigation costs, caused by or arising out of the negligent acts, errors or omissions, or willful misconduct of A.I.D. or its employees, agents or subcontractors, except to the extent, if
