Subject: Disconnection of Property - 700-718 Hill Avenue
Attachments: PrintMap-11-6-2009-10-1-3.pdf

Please be advised that the disconnection documents for 700-718 Hill Avenue were recorded on October 28, 2009 and the properties are therefore no longer within the Corporate Limits of Lombard. The PINs are 05-12-207-032,033,037 and 038.

This petition was BOT 09-02, Ordinances 6399 through 6402. Recording numbers R2009-163399 through R2009-163402.

A map depicting the subject properties is attached for your reference. We will send paper notification copies of the annexation to those entities not a part of Village government itself.

This property was located within Trustee District 1. With the disconnection completed, the properties will be regulated by DuPage County. However, Fire Protection services will still be provided by the Village of Lombard until such time that another fire entity assumes that responsibility. The properties remain within the Village's planning boundary.

Questions - let me know.
