Request a waiver,

I would like to request a waiver of first reading for the approvals associated with the annexation of the property at 19W231 17th St.

Thank you

Mr. Petrov:

Items approved by the Plan Commission generally appear at two meetings of the Village Board, unless you specifically request a "waiver of first reading." By requesting a waiver of first reading for the approvals associated with the annexation of the property at 19W231 17th St the Village Board will take a final vote at their November 6, 2014 meeting.

You can simply respond to this e-mail requesting the waiver and that is sufficient for our records. If not, then the item will follow the standard two-reading process at which a final vote would occur on November 20.

Thank you,

Matt
