Subject: 100 kW Trailer Mounted Generator Bid

On February 8, 2008, two bids were received for the purchase of two (2) 100 kW Trailer Mounted Generators. The generators are used to power water and sewer pump stations during power outages. The Village currently owns four trailer mounted generators and these two will be added to the fleet.

The 100kW Trailer Mounted Generators are budgeted in the Water & Sewer Capital Reserve Fund for a total cost of \$100,000 for FY 07/08. Bids were received from the following companies:

Company	Bid Proposal Amount
Patten Industries, Elmhurst, IL	\$113,282.00
Cummins NPower LLC, Hodgkins IL	\$93,724.00
Budget Estimate	\$100,000.00

In 2007, Cummins NPower, LLC provided the generator that was installed at the Yorktown Lift Station and their work was satisfactory.

Therefore, I am requesting the Board of Trustees award a contract for the purchase of two (2) 100 kW Trailer Mounted Generators to Cummins NPower LLC of Hodgkins, IL, in an amount not to exceed \$93,724.00 at their February 21, 2008 meeting.
