

MEMORANDUM

TO: Scott Niehaus, Village Manager
FROM: Nicole Aranas, Assistant Village Manager
DATE: September 23, 2015
SUBJECT: RESOLUTION AUTHORIZING SIGNATURE OF THE VILLAGE PRESIDENT ON A RENEWAL AGREEMENT FOR OCCUPATIONAL HEALTH SERVICES

Attached please find a Resolution authorizing renewal of an agreement with Elmhurst Memorial Healthcare setting rates for occupational health services, "*A Resolution Authorizing Signature of the Village President on an Agreement.*"

In 2010, the Village of Lombard reviewed and evaluated local occupational health service providers and entered into an initial agreement with Elmhurst Memorial Healthcare. The original agreement had a term of three years with options for two (2) additional 3-year options to renew, pending Village Board approval and the written mutual consent of both parties. In 2013, the Village opted to exercise the first of two renewal options at the rates originally agreed upon in 2010.

At this time, staff requests that the Village Board approve the second renewal option under its Agreement with Elmhurst Memorial Healthcare for occupational health services. This will allow for the continuation of current services under the original fee schedule agreed upon in 2010 through December 31, 2018. In an environment of increasing health care costs, the ability to continue under the original fee schedule without increase through 2018 is beneficial to the Village. Additionally, the location and service hours of the Lombard Health Center on Main Street has proven to be convenient and efficient for Village staff.

The attached resolution authorizes the Village President to sign the renewal Agreement in order to continue services for the practice and fees detailed in the current fee schedule from Elmhurst Memorial Healthcare, through December 31, 2018.
