Subject: Request for "No Parking" on Edward St.

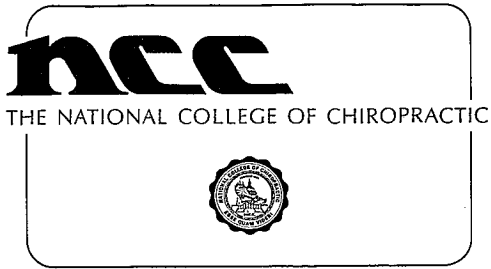

I received a letter from Mr. Jack Groves, Vice President for Administration and Finance, National College of Chiropractic, requesting the north side of Edward St. from Stewart to the dead-end of the cul-de-sac be posted "No Parking, School Days, 9am-3pm". The south side is currently posted "No Parking Any Time".

The College owns all the properties on Edward St. with the exception of one. This owner was hand delivered a letter showing the College's intent to post the street "No Parking, School Days, 9am-3pm".

I have reviewed the request and I concur with the College's request to post the north side of Edward St. from Stewart to the dead-end of the cul-de-sac "No Parking, School Days, 9am-3pm".

Dear Neighbor:

The students of The National College of Chiropractic have started parking in The cul-de-sac and up the north side of Edward Street. This has hampered mail delivery, garbage pick-ups and could have an impact on a fire truck or ambulance trying to access the homes along Edward Street.

The administration of the College has asked the Village to post on the street no parking between 9:00AM and 3:00PM on days the school is in session.

If you would like to express support for this posting or opposition, please contact Mr. John Johnson in the Public Works of the Village of Lombard, he can be reached at (630) 626-5700.

Sincerely,

Jack M. Groves, M.B.A.  
Vice President for Administration and Finance
