

MEMORANDUM

TO: William T. Lichter, Village Manager

FROM: David A. Hulseberg, AICP, Assistant Village Manager and
Director of Community Development

DATE: January 9, 2008

SUBJECT: **Motion to Accept a Stormwater Detention Easement at 220 S. Lincoln Street**

The construction of the St. John's Lutheran Church School required stormwater detention, which further carries the requirement that said detention is placed within an easement that provides the Village with access for inspections and the right, but not the responsibility, to maintain. Attached, please find the proposed easement over the boundary of the detention area and access. The easement uses standard Village stormwater detention language. Please request the Board of Trustees to accept the easement by motion at their January 17, 2008 meeting.

Please call either Nick Hatfield or myself if you have any questions.
