- Several sections of the contract have been amended to ensure compliance with State and Federal Statutes
- Reduced time for employee to respond to call-outs (20 minutes reduced to 10 minutes), which will improve the Department's responsiveness to emergency situation.

Beyond those changes or status quo items, the contract has been cleaned up to incorporate changes in policies or practices within the Department.

I would like to thank the Village Board of Trustees for their support of the collective bargaining process. I would also like to thank the members of the Village staff who participated in the process.

Members of the Bargaining Unit Ratified the Agreement on March 10, 2020. The Village recommends approval of the bargaining agreement.
