

MEMORANDUM

TO: William T. Lichter, Village Manager

FROM: Nick Hatfield, PE, Development Engineer

DATE: May 30, 2007

**SUBJECT: ACCEPTANCE OF PUBLIC SIDEWALK, SANITARY SEWER,
STORM SEWER, WATER MAIN AND FIRE HYDRANTS AT
ST. THOMAS MARTHOMA CHURCH, 710 N. MAIN STREET, IN
LOMBARD, ILLINOIS**

The Private Engineering Services Division of the Community Development Department recommends that the Board of Trustees accept the public sidewalk, storm sewer, sanitary sewer, water main and fire hydrant and on-site 8-inch water main and fire hydrant at 710 N. Main Street. Attached is the updated utility map. Please present the attached resolution to the Board of Trustees at their June 7th meeting.

The stated improvements are acceptable since they were installed substantially to plan and have passed all required tests. The Private Engineering Services Division has approved the project record drawings. The private, on-site sanitary sewer, two-inch and six-inch water main, and all on-site storm sewer will remain the responsibility of the property owner.

The Department has received a letter of credit for the required two-year maintenance period.
