TITLE: Recommendations from the Public Safety and Transportation and Safety Committee

SUBMITTED BY: Sergeant Joe Grage, Police Department

BACKGROUND/POLICY IMPLICATIONS:

16th St. Near Four Seasons Park Parking Restriction

The roadway of 16th St. narrows east of Collen Dr. as it approaches Four Seasons Park. The use of 16th St. parking by Four Seasons Park patrons creates congestion of the roadway to the point that it can be dangerous to maneuver emergency vehicles on 16th St. during events at the park. The roadway essentially becomes one lane at times of heaviest use due to vehicles parked on both sides of the street.
