Subject: FY 2013 Bituminous Mix Purchase

The Village of Lombard's in-house paving program is conducted using Village owned equipment and rented equipment. Once paving commences and the equipment has been rented, unexpected delays in getting materials can be costly in additional days of rental charges. Dupage Material Company has been the material supplier for the Village for the last 2 years. Dupage Material has multiple locations to pick up asphalt and the material has been readily available. Other companies have had difficulty supplying asphalt in the quantities our crews need to finish a job.

Three local asphalt companies have provided quotes for binder and surface asphalt. Dupage Material provided the lowest quote for both asphalt binder and surface.

<u>Vendor</u>	<u>N-50 Surface</u>	<u>N-50 Binder</u>
Dupage Material (K-Five)	\$51.50	\$47.00
Arrow /Healy Asphalt	\$52.50	\$46.00
Dukane Asphalt	\$52.00	\$48.00

Public Works is requesting a waiver of bids and award of a contract to DuPage Materials Company not to exceed \$274,866.00 to purchase Bituminous Mix during FY2013.

Please present this item to the Village Board for consideration at the May 16, 2013, meeting.

Here are this year's pricing from K-5, can you prep this for the upcoming Board meeting so we can start our jobs? Also, if you can mention in the memo that K-5 has 3 plant locations as Dukane only has one. With three locations online, usually 2 out of 3 running per day gives us plenty of material compared to one that is hardly open? Let me know if you need anything else. Thanks
