Lombard has been called the Lilac Village since the late 1920's, and the first Lilac Festival was held in 1930. Lilac Time in Lombard supports the village's brand, a priority identified in the most recent community forum, as well as the village's vision of creating a distinctive sense of spirit and an outstanding quality of life. Since the first lilac celebration, Lilac Time in Lombard has included a Lilac Queen and Court. Although the Lilac Princess program has evolved over the years, it remains a cornerstone of this community-wide celebration in Lombard.

In 2001, the Lombard Junior Women Club (LJWC) was approached by community organizations to sponsor the Lilac Princess Program including the selection of the Lilac Queen and her court. At that time, a \$1000 scholarship award for each princess was established. The Lilac Princess selection process is open to all young ladies between the ages of 16-21 who reside in Lombard. Under the sponsorship of LJWC, selection of the 5 member Lilac Court is completed using unbiased judges with absolutely no ties to Lombard via interviews conducted at Preliminary Judging. The girls are judged most heavily on their school and community involvement followed by speaking ability and poise. The Lilac Queen is selected from the members of the Lilac Court at Final Judging where they are interviewed again by unbiased judges using the same criteria. Throughout the selection of the Lilac Queen and Court, judges know the girls by an assigned number (preliminary judging) or by their first name (final judging). In order to ensure the character of the young women selected, a code of conduct has been established.

The Lilac Princesses serve as ambassadors for the Village of Lombard during Lilac Time, making many community appearances including a community Easter Egg Hunt, the Little Lady Lilac Ball, the Lilac Ball, and the Lilac Parade. They also serve as positive role models, volunteering at various community events throughout the year including blood drives and TLC camp, a camp for children with cancer held annually in Lombard. Each Princess receives a \$1000 scholarship.

The grant funds requested in this application would be used to support the selection of the Lilac Queen and her Court, to support expenses associated with their participation in numerous Lilac Time Events, and to provide the \$1,000 scholarships previously provided by the village.

How many years does the organization anticipate it will request grant funding?	Not determined

1) Describe the organization (include brief history, mission, and ability to carry out this project):

GFWC Lombard Junior Women's Club (LJWC) was established in 1930 by members of the GFWC Lombard Woman's Club. The goal was to provide a volunteer organization in which their young daughters could provide service to the Lombard community. LJWC is a part of The General Federation of Women's Clubs an international women's organization. The GFWC organization's mission is dedicated to community improvement by enhancing the lives of others through volunteer service. They encourage service at local, national and international levels. LJWC embraces this mission and is dedicated to Lombard through many service projects that include First Things First, York Center meals on wheels delivery, cooking and providing food for Lombard Pads and the Lombard/Villa Park food pantry, distributing food in Lombard for the Northern Illinois food bank, supporting Lombard Blood drives and York Center Thanksgiving baskets, providing Christmas gifts to needy families through York Township, to name just a few. LJWC's philanthropic donations benefit the Lombard Historical Society, Family Services, Humanitarian Service Project, Habitat for Humanity, Wounded Warrior project, Heifer International, UNICEF, Domestic Violence Awareness, and Prevent Child Abuse Illinois.

Our ability to carry out the Lilac Queen Contest is demonstrated through the success of the Lilac Princess program for the past 13 years under our leadership as well as the success of TLC Camp Inc., our day camp for kids with cancer now in its 32nd year. To run these programs requires dedication, leadership, management and organizational skills. We take great pride in the countless hours our members have worked to improve our community through service and philanthropy, and we are confident in our ability to carry out the Lilac Princess project in the coming year.

2) Describe the goals and objectives of the organization and how they are supported by this program:

The goals and objectives of the LJWC are:

- \*To provide hands-on service and philanthropic donations to needy families in Lombard, the surrounding community, as well as nationally and internationally.
- \*To educate and train our membership in leadership, organizational and management skills.
- \*To educate members in areas of Health and Wellness, Veteran's, Home Life, Education and Public Issues and International concerns.
- \*To continue providing TLC Camp free of charge to children afflicted with cancer and to be able to bring a sibling with them to the week-long camp.
- \*To improve the community and make Lombard the best town in which to live.

By sponsoring the Lilac Princess Program, LJWC has been able to keep tradition alive as well as keep Lilac Time in Lombard such special time of year for the Village and all of its residents. In addition, the Princess Program supports our club's goals of service to the community and developing leadership, organizational and management skills in our members.

3) What is the organization's plan to make the project self-sustaining?

LJWC has financially supported the Lilac Princess Program for the past 13 years at a cost of approximately \$2500-\$4500 per year. This figure does not include the \$5000 in scholarships provided by the Village of Lombard or the parade float provided by the Lombard Park District at a cost of \$650. These funds were appropriated from our philanthropic budget obtained via club fundraising; and, in fact, the Lilac Princess Program has represented 10-20% of LJWC's total philanthropic budget during these years. As is true of many philanthropic organizations, raising funds in these difficult economic times has become increasingly challenging, and in recent years LJWC has had fewer dollars available to support programs such as the Lilac Princess Program. This has necessitated cuts to the program's budget and operations. Because this program represents our village's brand and is continuously in the public eye during Lilac Time, it is imperative we have adequate funds to operate it with quality. It is also difficult to visualize how this time-honored Lombard tradition, having no income, might become self-sustaining.

- 1) Provide the details regarding the event or project including a full description of the project and the anticipated timeline.

Detailed timeline attached reflects many volunteer hours of planning and preparation over 6 months (September through mid-March) prior to preliminary judging when the Lilac Court is selected. From mid-March through the Lilac parade in mid-May, the Lilac Princesses along with their LJWC sponsors are actively participating in numerous community events. Over the summer the princesses continue to be active in events such as TLC camp, making this program a nearly year-long commitment for the LJWC sponsors.

- 2) If your application is accepted, how will the tourism grant funds be used?

Funds will be used to support Lilac Princess program in its entirety from selection of the Lilac court through the Lilac Parade. Our detailed budget is attached and reflects the following needs: \$5000 Scholarships (\$1000 per eligible princess up to \$5000\*), \$750 Princess parade float, \$750 Flowers for various Lilac Time events, \$1000 Lilac Ball expenses, \$250 Printing costs (marketing posters & banner), as well as other expenses associated with Lilac Time appearances by the princesses.

\*We understand that Village funds including grant funds cannot be used to provide a scholarship for a village employee's child, and in the event a village employee's daughter is selected, that scholarship will be provided using LJWC funds.

- 3) What modifications to the event or other steps will be taken to increase event attendance over previous years (not applicable to first time events)?

Based on annual evaluations of the Lilac Princess Program, we determined the need to form a larger committee to oversee and address the needs of this program. This will allow us to communicate more effectively with Lombard schools as we work to increase participation of young women in the Princess Program. We have also created roles within this committee aimed at increasing communication with our community partners in Lilac Time in hopes of increasing community and visitor (tourist) attendance at all events.

**MILESTONES AND TIMETABLES**

Describe the milestones that will mark the progress towards implementing the project and provide a timetable for the completion of each milestone.

See detailed timeline attached for Lilac Princess program. Timeline reflects planning, selection process, and participation in numerous community events during Lilac Time in Lombard.

**IMPACT**

1) Please describe how the event or program will promote overnight stays and/or tourism within the Village of Lombard.

The Lilac Court serves as community ambassadors for Lilac Time events that attract visitors from near and far. These visitors may include friends and relatives of Lombard residents as well as former residents and members of past Lilac courts; and it is anticipated that these Lilac Time tourists will stay in local hotels, eat in local restaurants, and will patronize local merchants.

- 2) Please describe the economic benefit to local businesses and the Lombard community. How will your event draw more people from outside the local market (50 miles or more) or attract a new visitor audience?

We will work with other community organizations to promote Lilac Time events to new potential visitor groups. We will also invite former princesses to attend Lilac time events. Many of these women now live outside the local market and can bring additional tourist dollars to local businesses and the Lombard community. It is anticipated that Lilac Time tourists will stay in local hotels, eat and drink in local establishments, and shop at local stores and businesses.

- 3) Who is the target audience for your event or project? What is your anticipated attendance?

For members of the Lilac Court our target audience is female residents between the ages of 16-21. Once the court has been selected, our target audience includes all residents and potential visitors to the Village of Lombard during Lilac Time events including former Lilac princesses.

- 4) Please describe any collaborative arrangements developed with other organizations to fund or otherwise implement the project (include in-kind donations).

In previous years the following Lombard organizations have collaborated with us to support the Lilac Princess program. While we value their support, we also know that they may not be able to continue to support this program in the future.

Lombard Service League - supports the Tiara presentation event and provides the tiaras

Lombard Park District - provides all park district properties free of charge for Lilac Princess events

Lombard Park District – supports float for Lilac Parade up to \$650

- 5) Please describe your marketing plan. Detail the strategies your organization will use to promote the event or project (e.g., advertising, public relations, marketing, print materials, promotional pieces).

The Lilac Princess program is marketed to two groups. We market to potential princesses via the Park District catalog, the Lombardian, and posters delivered to Lombard high schools. We work jointly with the Park district, village and other community organizations to promote Lilac Time via appearances participation in Lilac Time events such as Little Lady Lilac ball, Easter Egg Hunt, reading at the Library, Lilac Time Arts & Crafts Fair and Special Olympics as well as serving as community ambassadors at the Lilac Ball and Lilac Parade. With this grant we hope to increase our marketing to both groups.

**Additional Notes, Comments or Explanations:**

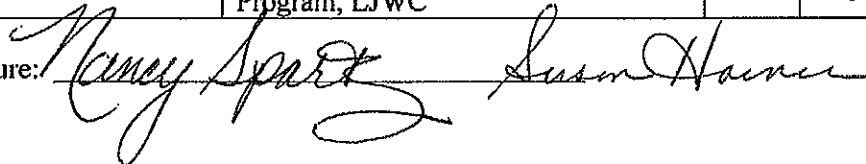

Expenses for princesses in 2013 & 2014 were paid for from LJWC Philanthropic Funds and have been cut over time as our fundraising has been less in recent years. The Princess program has no income other than scholarships provided by village and donation of parade float by Park Dist. With this grant we hope to have adequate funding to restore the quality of the Lilac Princess program.

Our organization does not employ an agency to perform an audit. However, we have practices in place to maintain the integrity of our accounts. All payments require a receipt attached to a check voucher that is signed by 1) the requestor, 2) the chair of the project's committee and 3) the vice-president or president of our club. At the end of each year, the treasurer along with several board and club members audits our books.
