

MEMORANDUM

TO: David A. Hulseberg, Village Manager

FROM: Nick Hatfield, PE, Development Engineer

DATE: November 10, 2008

SUBJECT: ACCEPTANCE OF PUBLIC SIDEWALK, WATERMAIN AND FIRE HYDRANT AT 455 EAST BUTTERFIELD ROAD (MILLER'S ALE HOUSE), IN LOMBARD, ILLINOIS

The Private Engineering Services Division of the Community Development Department recommends that the Board of Trustees accept the public sidewalk, watermain and fire hydrant at 455 E. Butterfield Road (Miller's Ale House). Attached is the updated utility map. Please present the attached resolution to the Board of Trustees at their November 20, 2008 meeting.

The stated improvements are acceptable since they were installed substantially to plan and have passed all required tests. The Private Engineering Services Division has approved the project record drawings. The on-site six-inch sanitary sewer, fire suppression and water service lines, and the storm sewer will remain the responsibility of the property owner.

The required easements for the watermain and stormwater detention system were previously approved.
