SUBJECT: Public Safety and Transportation Committee Agenda Item:  
Downtown Parking  
**Legistar Item#170323**

Sir,

On November 2<sup>nd</sup>, 2017 this item went to the Village Board for the passage of an ordinance implementing the parking restrictions contemplated by PSTC. The Village Board returned the item to the police department after a number of downtown businesses and the Lombard Town Center contacted the Village requesting the ordinance not be passed. After studying the area further and consulting with area stakeholders we determined that the existing temporary parking was being under-utilized. Based on this, no additional parking restrictions are recommended.
