MEMO TO : Honorable Village President Giagnorio and
Village Board

FROM : Scott R. Niehaus 
Village Manager

DATE : February 27, 2014

SUBJECT : Request from School District #87

I have received a request from Glenbard High School District #87 asking to be allowed time to present information to the residents with regard to the referendum that is forthcoming to the voters. This request will be scheduled under Public Participation at the March 6th Village Board meeting. The District has been advised that this is to be an information presentation only, and not a forum to elicit votes from the residents regarding the referendum. We have agreed to provide five minutes for the presentation.

I have included a copy of the Power Point presentation that they have provided to me. Feel free to contact me if you have any questions regarding this matter.
