MEMO: TO: David Hulseberg, Village Manager

FROM: Barb Johnson, Deputy Village Clerk *[Signature]*

DATE: April 21, 2009

**SUBJECT: Approval of an Agreement with the Inter-Agency Paratransit Coordinating Council**

Attached a letter from the IAPCC asking for continued support of their principals and continued participation in their meetings and committee activities.

In light of their accomplishments, it was necessary for them to draft a new Memorandum of Understanding and they are asking for our commitment by executing the new document. Also attached is a resolution authorizing execution of the document by President Mueller.

Please note that in the attached document, the primary and alternate representatives have changed.

Please place this matter on the May 7, 2009 Village Board agenda for Village Board approval.

# Inter-Agency Paratransit Coordinating Council

March 2009

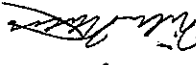

Dear IAPCC Member,

Enclosed for your consideration and renewal is a revised Memorandum of Understanding for your continued membership in the Inter-Agency Paratransit Coordinating Council (IAPCC).

Your partnership and participation these past years has proven invaluable, whether you have signed on to provide services as a sponsor or by contributing as an interested organization in promoting our goals and principles. Thanks to our collaborative efforts, we have added new members and launched "Ride DuPage", which this past October reached a milestone of providing over 10,000 rides in a single month. We have applied for, and received, hundreds of thousands of dollars in grants, county budget support, and, more importantly, expanded transportation availability through additional sponsoring organizations. The Ride DuPage model coordinated with Pace, is a model that was adapted by the Chicago area paratransit system and has drawn interest beyond our Illinois borders.

As we have achieved these successes, we found that our over decade-old Memorandum of Understanding, designed for a start-up council, no longer represented achievements, goals, and future plans for our organization. It, therefore, became necessary to create a new Memorandum of Understanding. Please review the revised version knowing that while we encourage the expansion of sponsors funding paratransit services, we are requesting that you maintain your support for our principles and continued participation in meetings and committee activities. Please approve and return the revised Memorandum as soon as possible to the address below.

If you have any questions or concerns, please feel free to contact me or Mary Keating at DuPage County. We thank you and look forward to your continued participation.

Sincerely  

William Waldack  
Chair - Inter-Agency Paratransit Coordinating Council

**MEMORANDUM OF UNDERSTANDING  
INTER AGENCY PARATRANSIT COORDINATING COUNCIL**

Whereas the Inter Agency Paratransit Coordinating Council was established in 1996 in response to the growing need for transportation for seniors and persons with disabilities,

And whereas the IAPCC membership represents a cross section of consumer, government, and non-profit interests,

And whereas the IAPCC has been recognized locally and regionally as a model of inter-agency cooperation in the development of, and advocacy for, transportation solutions,

And whereas the IAPCC successfully launched Ride DuPage in 2004,

And whereas there continues to be a need for expanded transportation options for persons with limited mobility, including seniors, persons with disabilities, and low-income workers,

Therefore, **Village of Lombard** establishes its membership in the IAPCC and aligns itself with the principles of the IAPCC which are:

- to work collaboratively across agency boundaries, municipal borders, and funding sources to provide transportation options,
- to develop a unified message for the advocacy for expansion of transportation options in DuPage County, and
- to serve as a local, regional, and national resource to organizations with similar missions.

As a member, **Village of Lombard** will:

- appoint a representative and alternate representative to the IAPCC,
- attend quarterly IAPCC meetings, and
- actively participate in IAPCC committees.
