Subject: FY2024 Vehicle Replacement, ALS Ambulance

---

The FY2024 budget includes replacement of unit number FM61, a 2014 Ford F-450 Horton ambulance. Since the lead time to build an ambulance is approximately 20 months staff would like Village Board authorization to order the ambulance now.

The Village currently has five (5) Horton ambulances. The Fire Department would like to keep their ambulance fleet as standardized as possible and therefore not deviate from the specifications they currently have. The Horton ambulance is available for joint purchase through the Suburban Purchasing Cooperative (SPC contract # 174). The Horton dealer in our area is Foster Coach of Sterling (IL). The cost of the new ambulance is \$336,931.00. This cost reflects an additional \$81,931 over the cost of the previous ambulance the Village just received. The extra cost is due to material shortages, and vehicle price hikes. The amount in the 2024 budget for this purchase is \$255,000.

The Village will dispose of the surplus ambulance for the best price possible. The minimum sale price will be the salvage value established in the vehicle reserve sheets, which shows unit FM61 at \$10,000.

I recommend the Board of Trustees waive bid and award a contract to Foster Coach of Sterling (IL) in the amount of \$336,931.00 for one new Ford F-550 Horton ambulance. I also recommend declaring Village ambulance FM61 as surplus per the attached ordinance authorizing its sale. Waiver of first reading is requested on this ordinance. Please submit this item to the Village Board for their consideration at the May 4, 2023 meeting.
