Subject: No parking on south side of 16th Street from Main St. to Highland Ave.

A parking issue was brought forward by Ms. Ilene Wyland of 1614 Charlotte Court. Christ the King Church and School are located on 15<sup>th</sup> Street. During Sunday church service and other special events, parking on both sides of 16<sup>th</sup> Street poses a passing hazard. There is adequate parking on the church property, at Manor Hill School, Four Seasons Park and on the north side of 16<sup>th</sup> Street. There are sidewalks, pedestrian crossing markings and an exclusive pedestrian crossing phase at the signalized intersection of Main Street and 16<sup>th</sup> Street for parking across Main Street. A copy of the enclosed letter was sent to area residents. No comments were received.

Staff recommends a change to the Village Traffic Code to post, "No Parking" on the south side of 16<sup>th</sup> Street, between Main Street and Highland Avenue.

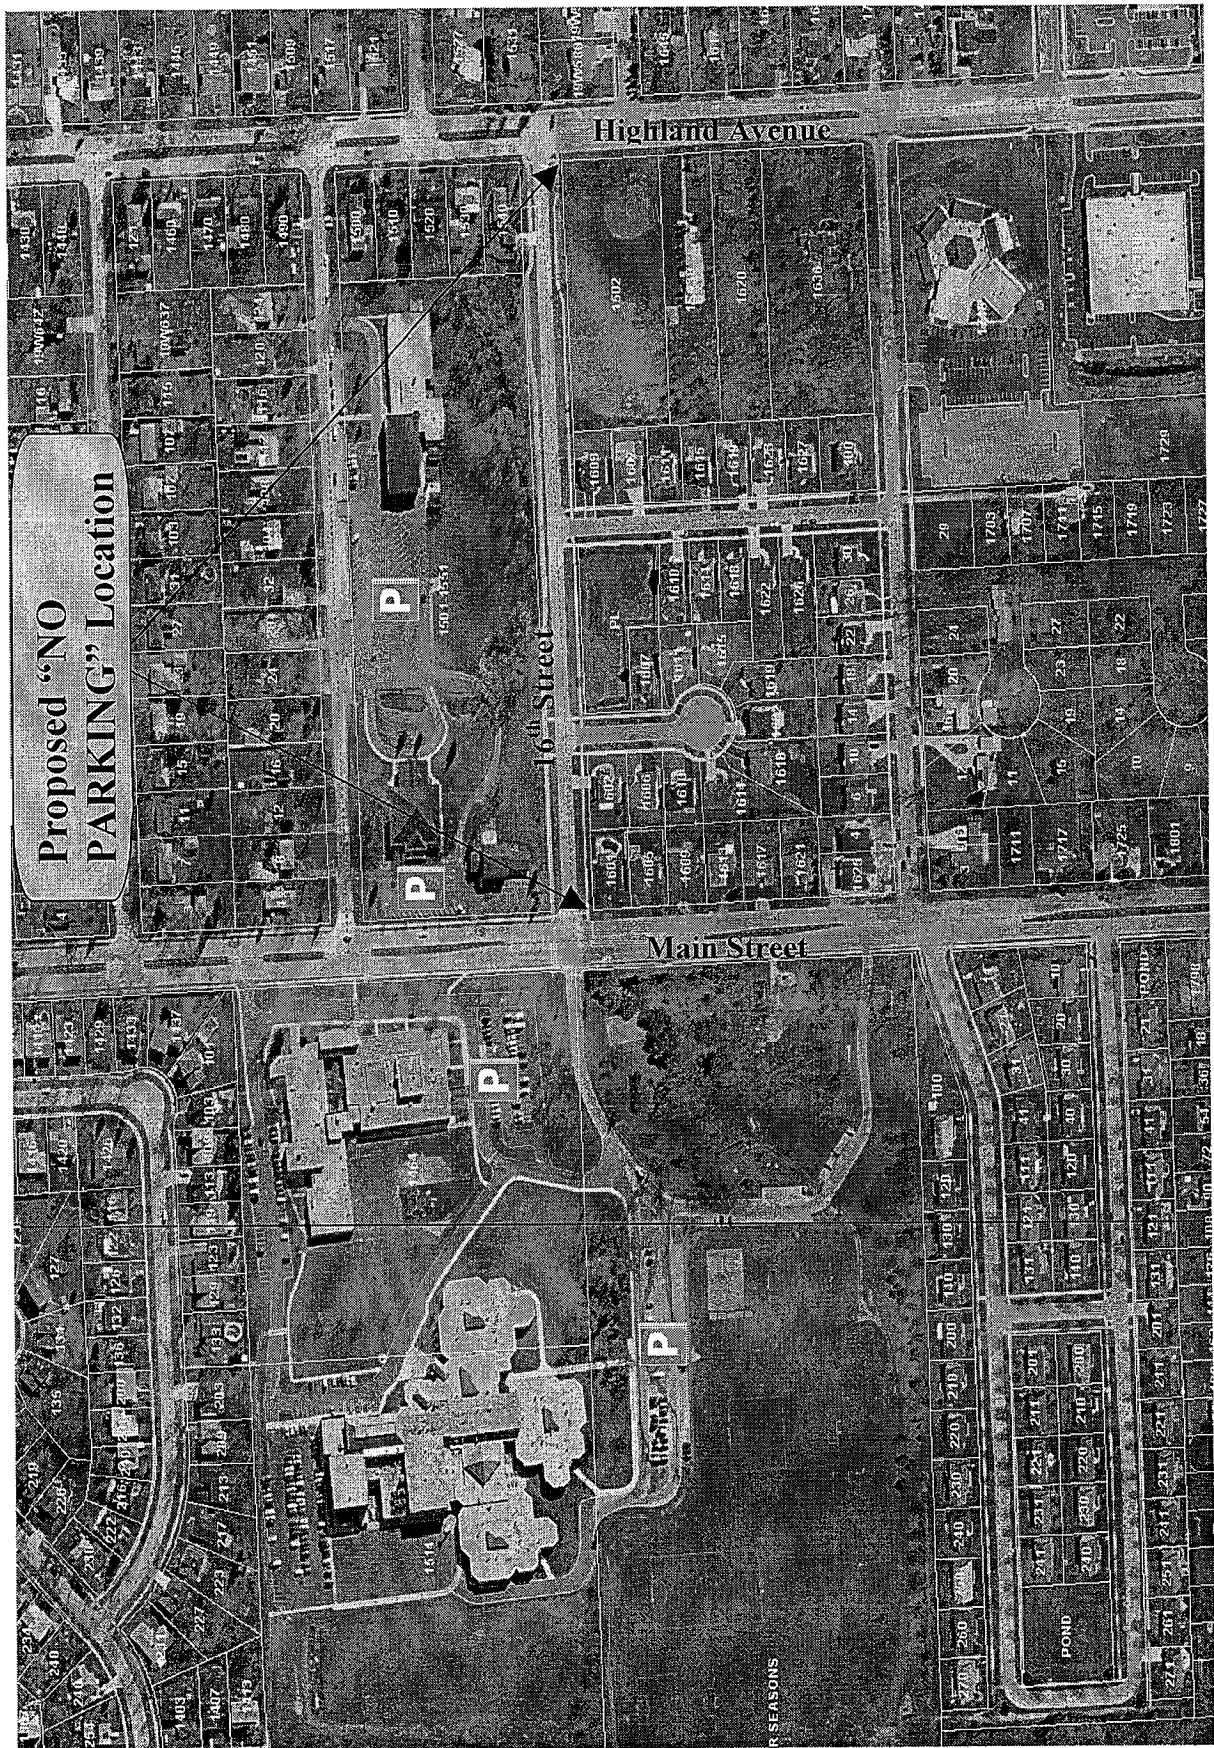

Please see the attached aerial image for further reference.

This item will be on the February 5, 2007 Transportation and Safety Committee agenda. The meeting is held at the Village Hall in the Community Room at 7:00 PM. This is a public meeting and public participation is encouraged.

Dear Resident:

The Village of Lombard is considering posting the south side of 16<sup>th</sup> Street between Main Street and Highland Avenue "No Parking". The "No Parking" is being considered due to numerous vehicles parking on both sides of the street and encroaching on intersections causing poor sight distance. This item will be presented at the February 5, 2007 Transportation and Safety Committee Meeting, held at the Village Hall at 7:00 PM.

If you have any concerns, please address them in writing by January 17, 2007 and mail to:
