RE: "Start the Heart" AED Presentation

With your permission, I would like to place on the June 7, 2012 Village Board Meeting Agenda, an event involving the "Start the Heart" Program. The Village of Lombard Fire Department has been working with the DuPage County Health Department training citizens to perform "CPR" and use an Automatic External Defibrillator (AED). Based on this cooperation as well as an AED purchase made by the Lombard Police Department, the DuPage County Health Department would like to present a total of ten (10) AED units to various not-for-profit organizations. The recipients are as follows:

- Village of Lombard, Village Hall
- Lombard Fire Department, Shift Commander vehicle
- Lombard Fire Department, Fire Station 1
- Lombard Police Department, Shift Commander vehicle
- Westmore School
- National University of Health Sciences
- Lombard Jaycee's
- Lombard Park District
- Glenbard East High School
- Lombard Public Works Department

The DuPage County Health Department will be present to award the AEDs. An attempt will be made by each organization to have a representative present to accept the AED.

Thank You.
