**RE:** AMENDING ORDINANCE IN REGARD TO FIRE ALARM  
SYSTEM SUPERVISION

This ordinance facilitates directing all new fire alarm subscribers to DuComm. Additionally provides a date that all existing fire alarm subscribers must connect to DuComm. This central collection of alarms is the first step in capturing radio fire alarm monitoring. This is in preparation for the Village to create our own radio alarm receiving network.

Please place this Ordinance Amendment on the January 20, 2011 Village Board of Trustees Agenda.

Thank you.
