(g) The Village represents that:

(h) The Bonds are not private activity bonds as defined in Section 141 of the Code;

(i) The Village hereby designates the Bonds as qualified tax-exempt obligations for purposes of Section 265(b)(3) of the Code;

(iii) The reasonably anticipated amount of qualified tax-exempt obligations (including qualified 501(c)(3) obligations and tax-exempt leases, but excluding other private activity bonds) which will be issued by the Village and all entities subordinate to the Village during 2001 does not exceed \$10,000,000; and

(iv) The Village has not designated and will not designate more than \$10,000,000 of qualified tax-exempt obligations during 2001.

Therefore, the Bonds qualify for the exception in the Code from the disallowance of 100% of the deduction by financial institutions of interest expense allocable to newly acquired tax-exempt obligations. The Village hereby authorizes the officials of the Village responsible for issuing the Bonds, the same being the President and Village Clerk of the Village to make such further covenants and certifications as may be necessary to assure that the use thereof will not cause the Bonds to be arbitrage bonds and to assure that the interest on the Bonds will be excludable from gross income for federal income tax purposes. In connection therewith, the Village further agrees: (a) through its officers, to make such further specific covenants, representations as shall be truthful, and assurances as may be necessary or advisable; (b) to

consult with counsel approving the Bonds and to comply with such advice as may be given; (c) to pay to the United States, as necessary, such sums of money representing required rebates of excess arbitrage profits relating to the Bonds as required pursuant to Section 148 of the Code and the regulations promulgated thereunder; (d) to file such forms, statements, and supporting documents as may be required and in a timely manner; and (e) if deemed necessary or advisable by their officers, to employ and pay fiscal agents, financial advisors, attorneys, and other persons to assist the Village in such compliance.

Section 24. Noncompliance with Tax Covenants. Notwithstanding any other provisions of this ordinance, the covenants and authorizations contained in this Ordinance (the "Tax Sections") which are designed to preserve the exclusion of interest on the Bonds from gross income under federal law (the "Tax Exemption") need not be complied with if the Village receives an opinion of nationally recognized bond counsel that any Tax Section is unnecessary to preserve the Tax Exemption.

Section 25. Continuing Disclosure. To the extent applicable, the Village hereby covenants and agrees that it will comply with and carry out all of the applicable provisions of Rule 15c2-12 of the Securities and Exchange Commission (the "Rule"). Failure of the Village to comply with the Rule shall not be considered an event of default; however, any registered owner may take such actions as may be necessary and appropriate, including seeking mandate or specific performance by court order, to cause the Village to comply with its obligations under this Section.
