Subject: FY20 Vehicle Replacement, Two Tandem Axle Dump Trucks

The FY 2020 budget includes replacement of two Public Works Street Division tandem axle dump trucks with plows and salt spreaders (unit # ST325 and ST339). Both are 2010 International dump trucks with plows and salt spreaders. Since the lead time to build these trucks is approximately 9 months staff would like Village Board authorization to place the order for the vehicles now.

Public Works has a standard set of specifications for this type of truck which includes a Peterbilt chassis outfitted with a Monroe dump body, salt spreader and front plow. The Peterbilt chassis is available for joint purchase through Sourcewell (formerly NJPA) contract #081716-PMC. The participating Sourcewell Peterbilt dealer in our area is JX Peterbilt of Bolingbrook, IL. The dump body, plow and salt spreader are also available for joint purchase through the Sourcewell contract #080114-MTE. The participating Sourcewell vendor for this equipment is Monroe Equipment of Joliet, IL. The total price of each truck outfitted with the above equipment is \$206,936.58 (\$413,873.16 for both). The amount in the 2020 budget for this purchase is \$210,000 each (\$420,000 for both).

I recommend the Board of Trustees waive bid and award a contract to JX Peterbilt of Bolingbrook, IL in the amount of \$413,873.16 for two new Peterbilt dump trucks with salt spreaders and plows. I also recommend declaring Village unit numbers ST325 and ST339 as surplus per the attached ordinance and authorizing their sale at public auction. Waiver of first reading is requested on this ordinance. Please submit this item to the Village Board for their consideration at the June 20, 2019 meeting.
