Date: December 9, 2002
Subject: Church Ave. One-way Signage

Church Ave. and Morris Ave. were recently annexed into the Village of Lombard (see attached map). While under the jurisdiction of York Township, Church Ave. was posted one-way southbound from 225 feet north of Rt. 38 to Rt. 38. This was done to stop cut-through traffic trying to avoid the traffic light at Meyers Rd. and Westmore/Meyers Rd.

I would recommend that Church St. remain one-way as laid out by York Township to eliminate cut-through traffic.
