Subject: Award Bid #FS0810, One 2007 ALS Ambulance

The FY 2008 budget includes replacement of FM062, a 2001 ALS ambulance. The bid results are as follows:

Vendor	Bid Price	Less Trade-In	Net Total Bid
Midwest Emergency Vehicle Kankakee, IL	\$127,277	\$5,000	\$122,277

Public Works received one sealed bid from Midwest Emergency Vehicle. The bid price for the 2007 ALS ambulance is \$127,277 less a trade-in allowance of \$5,000 equals a net total bid of \$122,277. The budgeted amount for this vehicle is \$127,000. I recommend awarding the contract to the only bidder, Midwest Emergency Vehicle, without the trade-in option. It has been our experience that trade in prices offered by fire apparatus manufacturers are considerably lower than what we could get if we market and sell this vehicle ourselves.

I recommend the award of a contract to Midwest Emergency Vehicle of Kankakee, IL. in the amount of \$127,277. The ordinance declaring the Village's ALS ambulance surplus will be submitted to the BOT as soon as the marketing period is over. Please submit this item to the Village Board for their consideration at the March 1, 2007 meeting.
