**RE:** Medal of Character Excellence Award Program

The Community Relations Committee is planning to institute an awards program that recognizes students in the community for actions of good character, as exemplified by the six pillars of character in Lombard's Character Counts! Program.

The nominations of students may come from the community by way of teachers, coaches, members of the clergy, neighbors, etc. Students nominated must have shown character development that portrays one or more of the six pillars of Character Counts! Trustworthiness, Respect, Responsibility, Fairness, Citizenship and Caring. Nominations may be made via e-mail or U.S. mail or may be dropped off at the Village Hall.

All nominations will be forwarded to the Community Relations Committee on a monthly basis for their consideration. Once approved, the individual(s) will be invited to a Village Board meeting to receive his or her Medal of Character Excellence.

I have attached a photo of the medal which we are considering for this award. Please place this item on the consent agenda of the May 4, 2006 Board of Trustees meeting. If you have any questions, please feel free to contact me.
