To: William Lichter, Village Manager
Through: Wes Anderson, Director of Public Works 
From: John Johnson, Technical Services Supervisor 
Date: September 8, 2006
Subject: Pavement Markings and Sign Face Waiver of Bid

3M is the leading manufacturer of preformed pavement markings and sign faces. Past experience with other products has shown 3M provides a superior product, excellent government pricing, reliable service and superior warranties. All Village capital improvement projects specify 3M pavement markings and sheeting. The Traffic Division uses 3M products extensively for markings and signage maintenance needs. The Traffic Division also installs pavement markings for various engineering projects, private and public. Since 3M is the manufacturer and sells directly to government agencies the Village saves by avoiding distributor mark ups.

I recommend a waiver of bids and award of a contract to 3M in an amount not to exceed \$40,000.00 for the purchase of pavement marking and sign materials. The materials will be purchased on an "as needed" basis throughout the fiscal year. This contract would be in effect from June 1, 2006 until May 31, 2007.

Please present this item at the next regular Board of Trustees meeting scheduled for September 21, 2006.
