TITLE: An Ordinance Amending Schedule XII of the Lombard Traffic Code in Relation to
Permit Parking Zones

SUBMITTED BY: Leonard J. Flood, Director of Finance

BACKGROUND/POLICY IMPLICATIONS:

At the September 7, 2006, meeting the Village Board approved a lease of the property at 100 S. Main St. for the purposes of creating a commuter parking lot. The attached ordinance amends the traffic code to create the Main & Parkside Commuter Parking Lot. Due to the proximity of the lot to the train station, staff was directed to make this a premium lot. As such, the following provisions would apply:

- Permits would only be sold to residents of the Village of Lombard.
- The number of permits sold would equal the number of spaces available.
- The quarterly fee for the lot would be established at a rate higher than that of other commuter parking lots. The current fee for a quarterly permit in any other commuter parking lot is \$75 per quarter. The attached ordinance sets the fee for this premium lot at \$150 per quarter. This fee is subject to change at the discretion of the Village Board.

Notices will be sent to all current commuter parking permit holders who are residents of the Village of Lombard giving them the first opportunity for a space in the new lot. If there are more current permit holders interested in these spaces than there are spaces available, a lottery will be held to determine who will be able to purchase a permit in this new lot.

Waiver of first reading is requested to allow staff sufficient time to notify current permit holders and to have the lot properly prepared by Public Works.
