MEMORANDUM

TO: David A. Hulseberg, Village Manager

FROM: William J. Heniff, AICP *WJH*

Acting Director of Community Development

DATE: September 4, 2008

SUBJECT: Further Extension of Ordinances 5358, 5550, 5717 and 5918 (PC 03-27; 240 Progress Road)

The Board of Trustees approved Ordinance 5358 (PC 03-27) on September 18, 2003 which granted conditional use approval for a planned development for the property at 240 Progress Road. Time extensions to this ordinance were granted on September 16, 2004 (Ordinance 5550), September 15, 2005 (Ordinance 5717), and September 21, 2006 (Ordinance 5918). Per the conditional use provisions, if construction has not begun within one (1) year from the date of approval, the conditional use is null and void unless an extension is granted by the Board of Trustees.

After being advised that the conditional use was about to expire, the petitioner is requesting a further time extension of the conditional use, as stated in the attached letter. The petitioner notes that the property is now under contract with a developer and the developer is working with Village and DuPage County staff in order to move this development project forward.

Staff believes that granting an extension is in the best interest of the Village, provided that the petitioner adheres to conditions incorporated in the original Ordinance. Moreover, staff believes it is in the best interest of the Village to extend the previous approvals, as it ties future development proposals to the approved planned development site plans and will allow the property owner to be able to market a "pre-approved" plan to prospective developers that addresses Village concerns. Without such an extension, the property would revert to its underlying I District zoning, which would allow for any permitted use and plan, provided that the plan met code provisions.

While the petitioner is requesting that the extension period should be for another twenty-four months rather than the customary twelve month period, as was approved in Ordinance 5918, staff believes that a twelve month extension should be sufficient to commence construction.

Recommendation Staff recommends that the Village Board approve an Ordinance extending the time period for construction of the conditional use an additional twelve (12) months, until September 18, 2009. A copy of Ordinances 5358, 5550, 5717 and 5918 are also attached.
