

**DISTRICT 1**

**VILLAGE OF LOMBARD**  
**REQUEST FOR BOARD OF TRUSTEES ACTION**  
For Inclusion on Board Agenda  
Bids and Proposals

TO: President and Village Board of Trustees  
 FROM: William T. Lichter, Village Manager  
 DATE: May 25, 2005 (COW) (B of T) **Date:** June 2, 2005  
 TITLE: Bid Opening For: Special Assessment 213B  
 SUBMITTED BY: David A. Dratnol, P.E., Village Engineer *DD*

**RESULTS:**

Date Bids Were Published 04/27/05 Bidding Closed 05/24/05  
 Total Number of Bids Received 2  
 Total Number of Bidders Meeting Specifications 2  
 Bid Security Required X Yes        No  
 Performance Bond Required X Yes        No  
 Were Any Bids Withdrawn        Yes X No  
 Explanation:  
 Waiver of Bids Requested?        Yes X No  
 If yes, explain:  
 Award Recommended to Lowest Responsible Bidder? X Yes        No  
 If no, explain:

**FISCAL IMPACT:**

Engineer's estimate \$646,691.50  
 Amount of Award \$797,943.08  
 Project: ST-05-03  
 HTE: 0141  
 Funding: Capital Projects – 8733.809450

**BACKGROUND/RECOMMENDATION:**

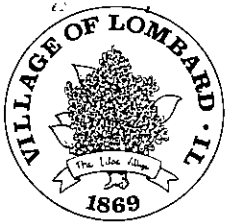

(See attached memorandum)

Has Recommended Bidder Worked for Village Previously X Yes        No  
 If yes, was quality of work acceptable X Yes        No  
 Was item bid in accordance with Public Act 85-1295? X Yes        No  
 Waiver of bids - Public Act 85-1295 does not apply        Yes        No

**REVIEW** (as needed):

Village Attorney XX \_\_\_\_\_ Date \_\_\_\_\_  
 Finance Director XX \_\_\_\_\_ Date \_\_\_\_\_  
 Village Manager XX William T. Lichter Date 5/25/05

**NOTE: All materials must be submitted to and approved by the Village Manager's Office by 4:30 pm, Wednesday, prior to the Board Agenda distribution.**

**To:** William T. Lichter, Village Manager  
**From:** David A. Dratnol, P.E. Village Engineer *DAE*  
**Through:** Wes Anderson, Director of Public Works *WA*  
**Date:** May 25, 2005  
**Subject:** Special Assessment 213B  
 (West Road – Woodland to St. Charles)

Seven (7) potential bidders purchased plans for the referenced project. Two (2) bids were received and opened at 11:00 A.M. on May 24, 2005.

The project consists of installing an urban section of roadway, which includes full depth asphalt roadway, curb and gutter, storm sewer, sidewalk, street lighting and landscape restoration. Minor water and sewer work will be done, primarily related to the service lines. The work will take place on West Road from Woodland Avenue to St. Charles Road

The results of the bid opening are listed below:

Company	TOTAL
R.W. Dunteman Company, Addison, IL	\$797,943.08
Fiala Paving Company, Bolingbrook, IL	\$945,378.56
<b>Engineer's Estimate</b>	<b>\$646,691.50</b>

The lowest responsible bidder is R.W. Dunteman Company with a bid in the amount of \$797,943.08. R.W. Dunteman has recently completed the SA 216 (Morris, Ahrens and School), Olde Towne - East (Phase 2 – Charlotte Street), and the Hammerschmidt Parking Lot.

A tabulation of the bids is attached. Analyzing the bids, four (4) items, representing approximately \$51,516.00 were \$10,000 or more over the Engineers Estimate. These pay items are:

ITEM	QUAN	UNIT	Low Bid UNIT PRICE	Engineer UNIT PRICE	Cost Differential
EARTH EXCAVATION	2,488	CY	\$25.00	18.00	\$17,416.00
MANHOLE, TYPE A, 4' DIAMETER, SPECIAL, TYPE-1 FRAME, CLOSED LID (STR. # 813A)	1	EACH	\$15,805.00	4,000.00	\$11,805.00
SANITARY MANHOLE, SPECIAL	1	EACH	\$14,175.00	2,800.00	\$11,375.00
CATCH BASINS, TYPE D, 3' -DIAMETER-SPECIAL, TYPE 3 FRAME AND GRATE	24	EACH	\$1,455.00	1,000.00	\$10,920.00

Further analysis of the bids, reveals eight (8) other pay items that contributed significant dollar differences (over \$5,000 each, totaling approximately \$65,820.00) between the Engineers Estimate and the low bid. These items include:

ITEM	QUAN	UNIT	Low Bid UNIT PRICE	Engineer UNIT PRICE	Cost Differential
BITUMINOUS BASE COURSE SUPERPAVE, 7"	4,579	SY	\$14.10	12.00	\$9,615.90
SUBBASE GRANULAR MATERIAL, TYPE B 4"	5,474	SY	\$5.70	4.00	\$9,305.80
TRENCH BACKFILL, SPECIAL	1,275	CY	\$33.40	27.00	\$8,160.00
PIPE UNDERDRAINS, FABRIC LINED TRENCH 4"	554	FOOT	\$34.35	20.00	\$7,949.90
PAVEMENT REMOVAL	3,820	SY	\$6.90	5.00	\$7,258.00
SANITARY SEWER CLEANOUT	24	EACH	\$545.00	250.00	\$7,080.00
FIRE HYDRANTS W/ AUXILIARY VALVE & VALVE BOX	3	EACH	\$4,075.00	2,000.00	\$6,225.00
LIGHT POLE, CONCRETE 14' MT HEIGHT, SEO4.3	11	EACH	\$1,675.00	1,200.00	\$5,225.00
EXPLORATION TRENCH, SPECIAL	500	FOOT	\$20.00	10.00	\$5,000.00

The categories of costs that are over \$10,000 of the Engineer's Estimate are related to underground utilities and excavation. The manholes do involve an extensive labor effort and were bid significantly higher than the Engineers Estimate by both bidders. Given the rise in steel and concrete costs, the bid price of catch basins is high but not unreasonable as the market continues to be volatile. This would also apply to the fire hydrants. The Engineer's Estimate for earth excavation was also lower than both bidders. Recent bids for earth excavation (North Broadway) came in at an average of nearly \$27.00 per cubic yard. SA 213B price is \$25.00/cubic yard. Paving costs are subject to oil prices; the recent jump in the price of oil affects the cost of asphalt as well as the cost of overall construction. In addition, the unit costs in Engineer's Estimate were made in March of 2004. This was for the Public Hearing and filing of the Estimate with the Court as per state statute requirements.

Since this is a Special Assessment project, the properties have been appraised and the homeowners' assessment amount is capped by either court order or by the appraiser's opinion of the fair market value increase to the assessed property. Regardless of the bid amount, the Village will wind up picking up the difference in cost within the Public Benefit funds.

There are four options to pursue. 1) Accept the bid, 2) Re-bid the project, 3) Negotiate with another contractor or the apparent low bidder, 4) Reject all bids and not proceed. If we re-bid or negotiate, the project will be delayed until next spring. Given the unit prices seen on recent contracts, two local road builders going out of business and the upcoming Illinois State Tollway Highway Authority work, I do not anticipate an appreciable reduction in unit prices by delaying the project, even if the project was bid early in the next construction season. Therefore, the Engineering Division recommends the award of this contract to R.W. Dunteman Company of Addison Illinois.

Please present this item to the President and Board of Trustees for their review and approval at their regular meeting on June 2, 2005. At the time of writing this memo the Board of Local Improvements is in the process of being polled. The contractor will be sent original contracts if the Village Board of Trustees approves the bid award. Contracts will then be forwarded to the Village Clerk upon their receipt.
