Fireproofing

SUBMITTED BY: William J. Heniff, AICP, Director of Community Development 

BACKGROUND/POLICY IMPLICATIONS:

The Board of Building Appeals (BOBA) recommends approval of the local amendments to Section 150.030 of the Village Code, the relevant sections of Building Code regarding the change to the local amendments to the 2018 International Building Code. The recommended change is to remove language from the local ordinances as extensive language already exists addressing fireproofing requirements within the adopted 2018 International Building Code

Please place this item on the February 17, 2022 Village Board agenda for consideration and approval. BOBA recommends approval of the amendments to Chapter 150 as set forth within the draft Ordinance, with a waiver of first read.
