**Raymond Byrne**  
Chief of Police

**Thomas Wirsing**  
Deputy Chief of Operations

**Roy Newton**  
Deputy Chief of Administrative Services

**TO:** Deputy Chief Wirsing  
**FROM:** Sgt. Joe Grage #754  
**DATE:** 08/17/2016  
**SUBJECT:** Public Safety and Transportation Committee Agenda Item:  
Resident Complaint of Speeding and Request for Speed Bumps

On August 19<sup>th</sup>, 2016 resident Robert Bahrey of 206 E. Morningside Ave sent a letter to Public Works Director Goldsmith advising that he was concerned about vehicle speeds on his street. He also was concerned with vehicle noise. He requested the installation of speed bumps with the assertion that the speed bumps would address both issues. Mr. Bahrey's concerns were passed on to the police department.

A speed study was conducted on Morningside near Stewart from 07/29/2016 to 08/03/2016. Morningside has no posted speed limit, but is 30 MPH by default per the Illinois Compiled Statutes. (625 ILCS 5/11-601 c1) The speed study recorded 1,127 vehicles during that time period. The 85<sup>th</sup> percentile speed was 27MPH. Only eight vehicles (0.7%) were travelling more than five miles per hour over the speed limit.

The results of the speed study fail to support Mr. Bahrey's assertion that there is a speeding problem on Morningside Ave. in his neighborhood. Based on this, staff cannot recommend any speed enforcement or traffic calming measures in that area. Staff would also be opposed to the installation of speed bumps because they

interfere with emergency vehicle traffic and snow plowing operations. Additionally, speed bumps would also likely exacerbate the vehicle noise issue that Mr. Bahrey is concerned about because of the noise generated by vehicles travelling over them.
