InterOffice Memo

To: William T. Lichter, Village Manager
From: David A. Dratnol, P.E., Village Engineer *Dratnol*
Date: August 11, 2004
Subject: The FY 2005 Sewer Televising Program
Project Number: SAN 05-01

Four potential bidders purchased plans for the referenced project. Two bids were received and opened at 9:00 a.m. on August 11, 2004. In order to establish unit prices for the contract, bid quantities were based on an initial work order. Both bidders were in attendance at the pre-bid meeting, where the bid specification was reinforced that this is the first of several work orders.

The results are listed below:

Company	TOTAL
A-K Underground, Tinley Park, IL	\$48,997.00
Accurate Locating Services, Inc. Lemont, IL	\$59,800.00
Engineer's Estimate	\$41,095.00

This is the first time A-K Underground has bid in Lombard. Their references have come back positive.

Engineering is requesting authorization of a purchase order for \$100,000.00 for services associated with this contract for this fiscal year. This contract will remain in effect until May 31, 2005. To track individual projects, Finance will create a Blanket Purchase Order with separate line items and entries for each televising work order. Sewer televising is performed on an as needed basis throughout the entire year. This Contract and Purchase Order is modeled after the Geotechnical Services contract.

The Engineering Division recommends the award of this contract to A-K Underground, Inc., of Tinley Park, Illinois.
