Subject: Catch Basin Cleaning Bid

On October 29, 2010, three bids were received for the Catch Basin Cleaning project. This project is designed to supplement the annual catch basin cleaning program performed by Village crews. The Village has a goal of cleaning one-third of the Village-owned catch basins each year. This program is one component of the Combined Sewer Overflow Operations & Maintenance Plan required by the IEPA Permit for the Lombard Combined Sewerage Treatment Plant to reduce sediment entering the treatment plant during rain storms.

The Catch Basin Cleaning project is budgeted in the Water & Sewer Capital Reserve Fund at a cost of \$50,000 for FY 10/11. This bid contains an option for a one year year renewal. Bids were received from the following companies:

Company	Proposal Amount
American Environmental, Chaska, MN	\$53,600.00
Dawn Underground Water Management, Joliet, IL	\$73,600.00
National Power Rodding Corp., Chicago, IL	\$44,000.00
Budget Estimate	\$50,000.00

National Power Rodding Corp., Chicago, IL, has performed satisfactory work, including catch basin cleaning, for the Village in the past.

Therefore, I am requesting the Board of Trustees award a contract for the Catch Basin Cleaning Project to National Power Rodding Corp. of Chicago, IL, in an amount equal to the total budgeted amount of \$50,000 for FY 10/11 at their November 18, 2010 meeting.
