TITLE: Approval of Building Inspection Consultant Services - 2022
B & F Construction Code Services

SUBMITTED BY: William J. Heniff, AICP, Director of Community Development 

BACKGROUND/POLICY IMPLICATIONS:

The Community Development Department generally utilizes a blend of in-house and third-party services to meet the building permit inspection demands required as part of the construction approval process. In the past, B & F Construction Code Services, Inc. provided such services to meet demand.

Staff seeks concurrence from the Village Board for approval of a contractual services agreement with B & F for 2022. B & F has competently performed assigned inspection activities and approval of this request would help ensure that the inspection processes would remain unaffected. The agreement is based upon an hourly need basis.

Staff recommends that the Village Board of Trustees authorize the signature of the Village Manager on the attached agreement with B & F Construction Code Services, Inc. to perform selected engineering inspection activities for the 2022 calendar year.

MEMORANDUM

TO: Scott R. Niehaus, Village Manager

FROM: William J. Heniff, AICP, Director of Community Development 

MEETING DATE: August 18, 2022

SUBJECT: **Approval of Building Inspection Consultant Services for 2022
B & F Construction Code Services**

The Community Development Department generally utilizes a blend of in-house and third-party services to meet the building permit inspection demands required as part of the construction approval process. In the past, B & F Construction Code Services, Inc. provided such services to meet demand.

Staff seeks concurrence from the Village Board for approval of a contractual services agreement with B & F for 2022. B & F has competently performed assigned inspection activities and approval of this request would help ensure that the inspection processes would remain unaffected. The agreement is based upon an hourly need basis.

For reference purposes the Village has paid B & F the following

2020	\$67,977.08
2021	\$37,169.36
2022 (to date)	\$44,624.70

The decrease in cost for the 2021 calendar year was a result of filling the vacant Building Inspector position. In 2022, the department suffered the unanticipated loss of the Building Inspector and this position, to date, remains vacant. As a result, B & F has once again covered the demand for inspection services.

With other large permits pending, the department will need to ensure that timely inspection services will be available for contractors and the public. The incurred costs from such services is derived primarily from collected permit fees.

RECOMMENDATION:

Staff recommends that the Village Board of Trustees authorize the signature of the Village Manager on the attached agreement with B & F Construction Code Services, Inc. to perform selected engineering inspection activities for the 2022 calendar year.

GENERAL CONTRACT TERMS AND CONDITIONS

TERM OF AGREEMENT:

This AGREEMENT shall be effective on the date that the last signatory executes this AGREEMENT, and shall terminate one year from the effective date, unless this AGREEMENT is terminated earlier by the CLIENT, or COMPANY, or by mutual agreement, or the parties agree, in writing, to extend the Term.

SUSPENSION OF SERVICES:

The VILLAGE may, at any time, by written order to B&F Construction Code Services, Inc ("B&F") require B&F to stop all, or any part, of the services required by this Agreement. Upon receipt of such an order B&F shall immediately comply with its terms and take all steps to minimize the occurrence of costs allocable to the services covered by the order. The VILLAGE will pay for costs associated with suspension provided they are deemed reasonable by the VILLAGE.

TERMINATION OF AGREEMENT:

The VILLAGE reserves the right to terminate the whole or any part of this Agreement, upon ten (10) calendar days written notice to B&F. The VILLAGE further reserves the right to cancel the whole or any part of the Agreement if B&F fails to perform any of the provisions in the Agreement or fails to make delivery within the time stated. B&F will not be liable to perform if situations arise by reason of strikes, acts of God or the public enemy, acts of the VILLAGE, fires or floods.

Upon such termination, B&F shall cause to be delivered to the VILLAGE all surveys, reports, permits, agreements, calculations, drawings, specifications, partially and completed estimates and data, as well as products of computer aided drafting, design and writing that have been paid for by the VILLAGE. Costs of termination incurred by B&F before the termination date will be reimbursed by the VILLAGE only, if prior to the effective termination date, the VILLAGE receives from B&F a list of actions necessary to accomplish termination and the VILLAGE agrees in writing that those actions be taken.

RELATIONSHIP BETWEEN B&F AND VILLAGE

B&F and its authorized representatives (collectively "B&F") are retained by the VILLAGE only for the purposes and to the extent set forth in this Agreement, and B&F's relationship to the VILLAGE shall, during the term of this Agreement and period of its services hereunder, be that of an independent contractor. B&F shall be free to dispose of such portion of its entire time, energy and skill during regular business hours when they are not obligated to devote time and services hereunder to the VILLAGE, in such manner as B&F sees fit and to such persons, firms or corporations as B&F deems advisable. It is acknowledged that at all times the B&F is separate and independent from the VILLAGE and that B&F will utilize a high level of skill necessary to perform the services under this Agreement.

Not Employees. B&F and its authorized representatives (collectively "B&F") shall not be considered as having an employee status, nor shall the VILLAGE withhold any sums for the payment of income taxes or FICA taxes, nor shall B&F be entitled to participate in any plans, arrangements or distributions by the VILLAGE pertaining to or in connection with any pension or retirement plans, or any other benefits for the regular full-time or part-time employees of the VILLAGE. As an independent contractor, it is the responsibility of the B&F to file all necessary tax returns (federal, state, county and local) and to pay all income tax, social security, and any and all other taxes due as an independent contractor in its profession.

As an independent contractor, the B&F agrees that it is ineligible to file a claim for unemployment compensation benefits or for workers compensation benefits against the VILLAGE and agrees not to file such claims in the event this Agreement is terminated. B&F agrees to assume all risk of death, illness and injury relative to performing all services under this Agreement. B&F understands and agrees that, as an independent contractor, it is not an employee of the VILLAGE for any purposes of any kind and all state, federal and county laws or regulations that apply to or provide benefits or protections to employees do not apply to it, including, but not limited to, the application of the Fair Labor Standards Act minimum wage and overtime payments, Federal Insurance Contribution Act, the Social Security Act, the Federal Unemployment Tax Act and the Worker's Compensation Act (820 ILCS 305/1, et seq.).
