SECTION 3: This ordinance shall be granted subject to compliance with the following conditions:

1. The site shall be developed substantially in accordance with the CPSA elevation, site, landscaping and floor plans package, prepared by Dome Structural Engineers, and submitted as part of the petition.
2. All comments in the Inter-Departmental Review Committee Report shall be satisfactorily addressed as part of a building permit application.
3. The petitioner shall address all recommendations in the KLOA report, which includes a detailed drop off/pick up schedule in a manner acceptable to the Director of Community Development, based upon the proposed traffic flow conditions along Madison Street and upon the subject property.
4. Based upon the proposed parking configuration set forth within the petitioner's plans, the number of day care and grade school students shall be capped at 275 students and the number of high school students shall be capped at 260 students. If the 10 land-banked parking spaces are constructed at a future date, as depicted on the submitted plans, the total student enrollment shall be capped at 315 grade school students and the number of high school students shall be capped at 300 students.
5. A final plat of consolidation shall be submitted to the Village for approval, making the site a single lot of record.
6. The designated fire lane adjacent to the western and southern portion of the proposed building shall be blocked off at all times and accessed only by the Lombard Fire Department in a design manner acceptable to the Village.
7. The petitioner shall submit a photometric plan as part of building permit submittal showing compliance with Village Code.

8. Trash collection and deliveries shall not occur on the school property prior to 8:00 a.m.
9. A revised landscape plan shall be submitted in a manner acceptable to the Director of Community Development and consistent with the Zoning Ordinance. Along the eastern and southern property lines of the subject property, a continuous arborvitae hedgerow shall be established. The amur maple trees shall also be interspersed with other tree varieties to ensure compatibility with the existing vegetation on neighboring properties as well as the overhead electric transmission lines. Furthermore the proposed 6' solid fence proposed along the southern property shall be extended along the full length of the southern lot line.
10. To ensure that open space requirements are met, as part of the completion of Phase 3 of the project, the petitioner shall be required to remove the interim basketball court and replace it with wet prairie seed mix for native plantings, subject to review and approval by the Village's stormwater administrator.
11. The relief granted as part of this petition shall be subject to the following time provisions:
 - a. Construction for the proposed Phase 1 stormwater improvements shall commence no later than one year from the date of approval of the Ordinance of approval;
 - b. Construction of the proposed Phase 2 parking lot improvements shall commence no later than two years from the date of approval of the Ordinance of approval;
 - c. Construction of the proposed Phase 3 school building and associated parking lot improvements shall commence no later than three years from the date of approval of the Ordinance of approval.
 - d. If in the event any of the time periods identified within sections a through c above are not met, the zoning relief granted for the remaining phases of development shall automatically be null and void, unless a time extension is granted by the Village Board prior to the expiration date.
12. The Plan Commission shall be granted site plan approval authority for the subject property.
13. As part of the final submittal of the landscape plan for the proposed development, the petitioner shall provide additional vegetative landscaping at the northeast corner of the proposed building. Said landscaping shall consist of a mix of evergreens and deciduous trees and spaced in a manner that would provide shade over adjacent imperious parking lot surfaces during the summer months.

SECTION 4: This ordinance shall be in full force and effect from and after its passage, approval, and publication in pamphlet form as provided by law.
