THE HISTORY OF THE CITY OF BOSTON

The city of Boston, situated on a peninsula in the State of Massachusetts, was first settled by a band of Puritan emigrants from England in the year 1630. The city has since that time grown in population and importance, and is now one of the largest and most important cities in the United States. It is the seat of government for the Commonwealth of Massachusetts, and is the center of commerce and industry for the entire New England region. The city is famous for its many historical landmarks, including the Freedom Trail, the Old State House, and the Bunker Hill Monument. It is also known for its many universities and colleges, including Harvard University and Boston College.
