Subject: FY2017 New Equipment Purchase

---

Included in the FY2017 budget is the replacement for Public Works Street Division unit number ST907, a 2006 Spaulding asphalt hot box. Staff would like to replace this hot box with a similar model the Street Division has (a Falcon 4-ton hot box with dump feature). This model hot box has proven reliable and will create uniformity in the fleet.

The Falcon hot box is available for joint purchase through the Nation Joint Purchasing Alliance (NJPA) contract # 113012-FRM. The local dealer for Falcon Road Equipment is Midwest Paving Equipment Inc. The NJPA cost of the hot box is \$30,413.00. The budgeted amount for this purchase is \$32,000. We will also see additional proceeds from the sale of our old hot box at public auction.

I recommend the Board of Trustees award a contract to Midwest Paving Equipment Inc. in the amount of \$30,413.00 for one new Falcon 4-ton hot box. I also recommend declaring Village unit number ST907 as surplus per the attached ordinance and authorize its sale at public auction. Waiver of first reading is requested on this ordinance. Please submit this item to the Village Board for their consideration at the February 2, 2017 meeting.
