Subject: FY21 Vehicle Replacement, Two Tandem Axle Dump Trucks

---

The FY 2021 budget includes replacement of two Public Works tandem axle dump trucks. One Street Division and one Water Division truck (unit # ST341, 2011 International tandem dump and WT436, 2009 Sterling tandem dump). The replacement for ST341 will be equipped with a front plow, wing plow and salt spreader. The replacement for WT436 will be equipped with a front plow and the capability to run an anti-ice tanker currently owned by the Village. Having a dedicated anti-ice truck in the winter will improve operational efficiency. Currently a salt spreader has to be removed from a truck and the anti-ice tanker is installed and used before an imminent storm. This conversion takes several hours and then the tanker would have to be removed so the salt spreader could be reinstalled to fight the storm. These trucks are used for hauling large loads, plowing and salting operations. Since the lead time to build these trucks is approximately 9 months staff would like Village Board authorization to place the order for the vehicles now.

Public Works has a standard set of specifications for these trucks which includes a Peterbilt chassis outfitted with a Monroe dump body, salt spreader and plows. The Peterbilt chassis is available for joint purchase through Sourcewell (formerly NJPA) contract #081716-PMC. The participating Sourcewell Peterbilt dealer in our area is JX Peterbilt of Bolingbrook, IL. The dump body, plow and salt spreader are also available for joint purchase through the Sourcewell contract #080114-MTE. The participating Sourcewell vendor for this equipment is Monroe Equipment of Joliet, IL. The price of the Street Division truck outfitted with the above equipment is \$231,773.69. The amount in the 2021 budget for this purchase is \$230,000. The price of the Water Division truck outfitted with the above equipment is \$182,123.69. The amount in the 2021 budget for this purchase is \$183,000. The total price for both trucks is \$413,897.38.

I recommend the Board of Trustees waive bid and award a contract to JX Peterbilt of Bolingbrook, IL in the amount of \$413,897.38 for two new Peterbilt dump trucks equipped per the Village specifications. I also recommend declaring Village unit numbers ST341 and WT436 as surplus per the attached ordinance and authorizing their sale at public auction. Waiver of first reading is requested on this ordinance. Please submit this item to the Village Board for their consideration at the July 16, 2020 meeting.
