- C. The Village is authorized under the provisions of the Tax Increment Allocation Redevelopment Act, 65 ILCS 5/11-74.4-1, *et seq.*, as amended (the "TIF Act"), to finance redevelopment in accordance with the conditions and requirements set forth in the TIF Act, and is authorized under the provisions of the Illinois Municipal Code, including, but not limited to, 65 ILCS 5/8-1-2.5 (the "Economic Development Statute"), to appropriate and expend funds for economic development purposes that are deemed necessary or desirable for the promotion of economic development within the Village.
- D. Pursuant to Ordinance Numbers 7437, 7438 and 7439, adopted November 2, 2017, as amended by Ordinance Number 7451, adopted December 7, 2017, Ordinance Number 7705, adopted September 5, 2019, and Ordinance Number 7758, adopted December 15, 2019, the Village approved a tax increment redevelopment plan and project (the "TIF Plan"), designated the tax increment redevelopment project area (the "Redevelopment Project Area"), and adopted tax increment financing

relative to the Village's Butterfield-Yorktown tax increment financing district (the "TIF District"); said TIF District being legally described and depicted as set forth in EXHIBIT 1 and EXHIBIT 2 attached hereto and made part hereof.

- E. Pursuant to Ordinance No. 7710, adopted September 5, 2019, the Village approved a "Redevelopment Agreement for the Hotel and Conference Center, Comprising a Part of the Butterfield-Yorktown TIF District of the Village of Lombard, Illinois," dated September 5, 2019, (the "Redevelopment Agreement") with the Lombard Public Facilities Corporation, an Illinois not-for-profit corporation (the "Developer"), with said Redevelopment Agreement relating to the property legally described on Exhibit 3 attached hereto and made part hereof.
- F. The Village and the Developer desire to amend certain provisions of the Redevelopment Agreement in regard to the reimbursement of the Developer, by the Village, for TIF Eligible Redevelopment Costs (as defined in the Redevelopment Agreement) incurred by the Developer, relative to the Project (as defined in the Redevelopment Agreement), the amount of said reimbursements, and the timing of said reimbursements, and to make certain technical revisions to other provisions of the Redevelopment Agreement as a result thereof.
- G. That, attached hereto as Exhibit 4 and made part hereof, is a first amendment to the Redevelopment Agreement, between the Developer and the Village, which sets forth the revisions necessary to facilitate the changes referenced in subsection F. above (the "First Amendment").
- H. In accordance with the TIF Act and the Economic Development Statute, it is in the best interests of the Village to approve the First Amendment, so that economic development and redevelopment within the TIF District can continue, said economic development and redevelopment, pursuant to the TIF Act and in furtherance of the Economic Development Statute, being the Village's public purpose for providing the incentive set forth in the Redevelopment Agreement, as amended by the First Amendment.

**SECTION 2:** Based upon the foregoing, the First Amendment is hereby approved, and the Village President and Village Clerk of the Village are hereby authorized and directed to execute and deliver said First Amendment, as well as such other instruments as may be necessary or convenient to carry out the terms of said First Amendment, and the Redevelopment Agreement as amended by the First Amendment.

Provided the TIF Payment Threshold has been reached, the Village shall reimburse Developer from the Developer TIF Increment Funds deposited into the Incentive Account for the Developer's actual expenditures of TIF Eligible Redevelopment Costs relative to the Project, in excess of the Approved Expenses and subject to the limitations as set forth in Section VI.C.1. above, (the "TIF Incentive Rebate"), whether expended prior to the Effective Date, but after the TIF District was established, or after the Effective Date. Said TIF Incentive Rebate shall be paid to the Developer as follows:
  - a. The Village shall pay the Developer TIF Increment Funds from the Incentive Account to the Developer, or as directed by the Developer, on the last day of each February, July and October after the TIF Payment Threshold has been reached, with a

final payment date of October 31, 2025, (each a "Payment Date"), during the Term (as defined in Section XV.P. below) of this Agreement, provided the Village is in receipt of Developer's request for reimbursement of TIF Eligible Redevelopment Costs documented by the Developer to have been incurred by the Developer in relation to the Project (which documentation shall accompany each such request for reimbursement). In relation to said payments, the Developer hereby directs that said payments (and any other payments under this Agreement) be made to the New Indenture Trustee under the New Indenture, to be deposited and credited to the Hotel Capital Expenditure Reserve Fund as provided for under the New Indenture. Requests for reimbursement of TIF Eligible Redevelopment Costs, paid by the Developer, shall be forwarded to the Village's Finance Director, accompanied by a copy of the paid receipt therefor, and any other information reasonably requested by the Village. Unless the Village has good cause to believe that the Developer's request for reimbursement seeks reimbursement for non-TIF Eligible Redevelopment Costs, or the documentation submitted by the Developer does not support the amount requested for reimbursement, the Village's Finance Director shall, on behalf of the Village, promptly (and in any event no later than forty-five (45) days following such submission by the Developer) approve the same for reimbursement, and the Village shall pay such request for reimbursement on the next Payment Date following said approval, provided there are sufficient Developer TIF Increment Funds within the Incentive Account to do so. If the Village elects to withhold or deny such payment, the Village's Finance Director shall, on behalf of the Village, promptly (and in any event not later than forty-five (45) days following such submission by the Developer) advise the Developer in writing as to the specific basis for the Village's position. If the Village fails to either approve a request for reimbursement as aforesaid or to advise the Developer in writing as to the specific basis for the Village's position as aforesaid within the aforementioned time periods, such request for reimbursement shall be deemed approved by the Village's Finance Director on behalf of the Village, unless said request for reimbursement relates to non-TIF Eligible Redevelopment Costs.

- b. If the Developer requests reimbursement from Developer TIF Increment Funds from the Incentive Account, and if the Village authorizes the distribution of such funds in an amount greater than the then-existing balance of Developer TIF Increment

Funds in the Incentive Account, the Village shall distribute any approved but undistributed TIF Incentive Rebate to Developer on the next Payment Date, or a Payment Date thereafter, provided that the Village has received and deposited additional Developer TIF Increment Funds into the Incentive Account, in an amount sufficient to cover all or a part of said authorized but undistributed TIF Incentive Rebate.

- c. The TIF Incentive Rebate paid to the Developer shall only be paid from Developer TIF Increment Funds actually received by the Village.
- d. In the event that the Village ceases to receive Developer TIF Increment Funds, as a result of a Change in Law, and no alternate source of revenue is enacted to replace the Developer TIF Increment Funds, the Village shall not be obligated to make any further TIF Incentive Rebate payments hereunder.
- e. The TIF Incentive Rebate by the Village shall cease upon the expiration of the Term (as defined in Section XV.P. below) of this Agreement.
- f. Subject to Uncontrollable Circumstances, if at any time the Hotel and Conference Center ceases to operate during the term of this Agreement, other than for a temporary period of time to facilitate maintenance of, or repairs to, the Hotel and Conference Center (a "Temporary Closure"), the payment of Developer TIF Increment Funds to the Developer shall be suspended for the duration of such closure. In the event of a Temporary Closure, the Developer shall provide at least thirty (30) days prior written notice to the Village relative thereto, with said notice to set forth the reason for the Temporary Closure, and the time frame within which operations will resume. In the event of an emergency requiring an immediate Temporary Closure, notice thereof, as required by this subsection, shall be provided to the Village as soon as practical thereafter."

7. That Section VII.A. of the Redevelopment Agreement is amended to read in its entirety as follows:

- "A. **Use of Funds.** The Developer shall use the Prior Reimbursement, the 2019 Increment Reimbursement, the Initial TIF Payment and the Developer TIF Increment Funds solely for reimbursement for TIF Eligible Redevelopment Costs incurred by the Developer."

8. That Section VII.C. of the Redevelopment Agreement is amended to read in its entirety as follows:

- "C. **Developer's Expenditures Requirement.** The Developer's expenditure of an amount equal to the sum of the Prior Reimbursement, the 2019 Increment Reimbursement, the Initial TIF Payment and the Secondary Reimbursement, on TIF Eligible Redevelopment Costs relative to the Project, may occur prior to the Developer's expenditure of the Three Million and No/100 Dollars (\$3,000,000.00) Village Effective Date Contribution, as defined in and provided for in the RSA and the Plan, on capital expenditures in relation to the Project; however, the capital expenditures made by the Developer with the Village Effective Date Contribution shall be in relation to capital expenditure items other than those capital expenditure items covered by the TIF Eligible Redevelopment Costs approved for reimbursement under this Agreement. The intent being that Six Million Seven Hundred Thousand and No/100 Dollars (\$6,700,000.00) in capital expenditures relative to the Project shall be made by the Developer as a result of the Village Effective Date Contribution and the TIF Eligible Redevelopment Costs approved for reimbursement, and reimbursed, under this Agreement by the Prior Reimbursement, the 2019 Increment Reimbursement, the Initial TIF Payment and the Secondary Reimbursement. For clarity, the Village's obligation to reimburse TIF Eligible Redevelopment Costs relative to the Project in the amount of the Prior Reimbursement, the 2019 Increment Reimbursement, the Initial TIF Payment and the Secondary Reimbursement shall, except as otherwise provided in this Agreement, in no way be limited by the Developer's expenditure of the Village Effective Date Contribution on capital expenditures in relation to the Project."

9. That Section XIII.C.3. of the Redevelopment Agreement is amended to read in its entirety as follows:

- "3. In the case of an Event of Default by the Developer that has not been cured, in addition to any other remedies at law or in equity, the Village may suspend its obligation to pay Developer TIF Increment Funds to the Developer, until such Event of Default has been cured; provided, however, the Village shall continue to be obligated to review and approve requests by the Developer for reimbursement of TIF Eligible Redevelopment Costs in accordance with Section VI.C.5.a. (but shall not be obligated to pay such approved costs pursuant to Section VI.C.5.a.)."

10. That Section XV.P. of the Redevelopment Agreement is amended to read in its entirety as follows:

"P. **Term.** This Agreement shall remain in full force and effect until November 1, 2025, or until the October 31, 2025 payment, as referenced in Section VI.C.5.a., is paid, if any such payment is due."

11. That Section XV.R. of the Redevelopment Agreement is amended to read in its entirety as follows:

"R. **Assignment.** The Developer shall have the right to assign its interests in this Agreement, and its rights and obligations hereunder, subject to the consent in writing of the Village, such consent not to be unreasonably withheld. Notwithstanding the foregoing, the Developer shall be entitled to transfer in trust, grant a lien on and security interest in and assign to the Indenture Trustee, under the New Trust Indenture provided for in the Plan, all of the Developer's right, title and interest in (x) this Agreement and (y) any amounts at any time due or paid under this Agreement, and the New Indenture Trustee shall be entitled to enforce the rights, remedies and obligations of the Developer under this Agreement."

12. That Section XV.S. of the Redevelopment Agreement is amended to read in its entirety as follows:

"S. **Payments Hereunder.** The payments by the Village to the Developer referenced herein shall be a contractual obligation pursuant to Article VII, Section 10 of the Illinois Constitution of 1970, which authorizes the Village to contract and otherwise associate with individuals, associations and corporations in any manner not prohibited by law or ordinance, 65 ILCS 5/8-1-2.5, 65 ILCS 5/11-65-1, *et seq.*, and 65 ILCS 5/11-74.4-1 *et seq.* If the payments by the Village to the Developer hereunder are due and owing and the Village fails to timely make any one or more of such payments, the Developer, or its assignee (including the New Indenture Trustee), shall be entitled to enforce the Village's contractual obligation to pay the Developer by exercising any rights and remedies under applicable law, including, without limitation, suing the Village for such payments."

13. That **Exhibit D** to the Redevelopment Agreement is hereby deleted.

14. That **Exhibit E** to the Redevelopment Agreement is hereby deleted.

15. That all portions of the Redevelopment Agreement, not amended hereby, shall remain in full force and effect.

16. The Village acknowledges that the Developer intends to, post a copy of this First Amendment (including all Exhibits hereto) on the Electronic Municipal Market Access system operated by the Municipal Securities Rulemaking Board ("EMMA").

17. This First Amendment shall be executed simultaneously in two (2) counterparts, each of which shall be deemed an original, but both of which shall constitute one and the same First Amendment.

18. The Parties agree to record this First Amendment with the DuPage County Recorder's Office, with the Village and the Developer equally sharing the cost of the recording charges.

19. This First Amendment shall be deemed dated and become effective on the day on which this First Amendment is executed by the last of the signatories, as set forth below, with said date appearing on page 1 hereof.
