Subject: Bid Rejection- Sidewalk Snow and Ice Removal

The Village published an invitation to bid on August 19, 2021 for the removal of snow and ice from walking surfaces in and around the train station and routes to schools. The Village received one (1) bid for the proposed contract from The Service Innovators, Wheeling, IL.

The bid was opened and read out loud in public on September 3, 2021. Based on the contract bid prices for the average snow fall in Lombard over the last two years, the submitted bid had a cost of \$143,840.50. The budget for these services for FY21-22 is \$42,500.00

Staff is recommending the rejection of this bid and seeking authorization to solicit proposals from contractors that are capable to perform this service.

Please submit this item to the Village Board for their consideration at the September 16, 2021 meeting.
