Title:	<p>Feasibility Analysis for a Joint Public Safety Facility *** To View the PresentationReferenced click here <https://www.villageoflombard.org/DocumentCenter/View/8283/VBoT-Public-Safety-Feasibility-Presentation-92123></p> <p>The Village has completed it's evaluation of a Joint Public Safety Facility to address operational and facility deficiencies. The report and recommendation from FGM Architects were presented to the Public Safety & Transportation Committee at their September 6, 2023 meeting. The Committee unanimously voted to accept the recommendations and have the report and recommendations presented to the Village Board of Trustees for consideration. Staff and the Committee recommend that the Village Board of Trustees accept the FGM Architects report and recommendation and utilize the findings as a roadmap for future facility improvements. (DISTRICT #6)</p>
