PC 21-06: Text Amendment to the Zoning Ordinance - Open Space

The Plan Commission transmits its recommendation to approve a text amendment to Section 155.508(C), of the Village Code and any other relevant sections for clarity, to remove a provision on additional open space in Planned Developments.

The provision requires Planned Developments to have at least 25 percent more open space than that required in the underlying zone district. The Village proposes to remove this provision and make the required amount of open space the same, regardless if a property is a Planned Development or not.
